EDUCATION EXPERIENCE

Drew University - New Jersey, US

Aug 2023 - Present

B.S. in Computer Science (in progress)

GPA: 3.7/4

- Graduate within 2.5 years with GPA of 3.9/4 in major.
- Worked in International Student Center to help handle administrative tasks.
- Coursework Highlights: Quantum Computing, Computer Networks and Security, Software Engineering

Zhejiang University - Zhejiang, China

Aug 2016 - July 2019

Undergraduate Study in Computer Science

GPA: 3.5/5

- Studied in Chu Kochen Honors College
 - Member of university ICPC team, with two national silver medals.
 - Awarded scholarship twice.
 - Coursework Highlights: Mathematical Analysis, Discrete Math, Data Structure, Computational Theory
-

WORKING EXPERIENCE

Saka Saka Ltd - Hunan, China

Aug 2022 - Present

Marketing Specialist / Event Executor

- Supported the organization of large-scale events (up to 10,000 participants/day) by designing data management workflows.
- Implemented automated web crawlers and plug-ins for tournament result tracking, improving data reliability and backup efficiency.
- Designing and implementing a pairing application for large-scale events, streamlining distribution of match assignments to participants.

Industrial Bank - Hunan, China

Aug 2021 - July 2022

C Engineer

- Managed a high-volume database (millions of rows) for financial transaction analysis.
 - Optimized data queries and reconstructed workflow to improve efficiency, reducing pipeline runtime by ~45%.
 - Developed robust data processing workflows, ensuring accuracy of results.
-

OTHER PROJECTS

- Developed a medical records management system to support clinical research for a PhD research group at Xiangya Hospital. Implemented secure and efficient data storage, retrieval, and backup mechanisms, enhancing the research group's workflow and data integrity.
- Developed a brainwave data visualization and analysis tool for the same PhD research group. Enabled efficient analysis and interpretation of neural signals, facilitating research on brain activity patterns.
